

## CREOLE VOCALS - ACAPELLAS OF RÉUNION ISLAND

EarthMoments presents Creole Vocals - acapella loops, and samples from Réunion Island.

Creole music on Réunion Island incorporates numerous influences such as African traditions of vocals, rhythm, as well as call and response, Indian roots, and the Creole language itself. Sega and Maloya are two genres of music that originated from Réunion, which are exemplary of the cultural blend that exists on the island. Creole music is ever-changing and infuses new influences and styles such as poetry, jazz, reggae, rock, and electronic music.

In this pack, you can explore the musical influences of Réunion Island. The recordings feature Maya Kamaty, a professional vocalist from Réunion Island with an extraordinary voice. Professionally recorded, this pack spotlights Creole vocals with a contemporary touch.

In this pack you will find the naturally produced samples. In addition, we've included carefully processed samples that complement the essence of the Creole music.

What makes Creole music unique is the contrasting influences that come together. We encourage you to do the same and allow yourself to explore this genre and inspire your creativity.
