## World Strings Series – Ethnic Violin

EarthMoments adds an exciting new addition to its explorative World String Series: Ethnic Violin Pack.

A must-have library, the Ethnic Violin Pack is a warm collection of 335 ethnic violin loops played by exceptional musicians.

The pack includes a range of samples from Klezmer origins in Eastern Europe in addition to other ethnic Eastern European styles. The Klezmer and Eastern European musical traditions have traveled across the ocean to modern Jewish community wedding celebrations in the USA. The Klezmer style of playing is easily identified by its characteristic expressive melodies that impersonate the human voice.

Optimised with the closest attention to detail, the samples on Ethnic Violin have been recorded using tube Pre-Amps and Mics on 96kHz
