

EarthMoments - Tribal EDM Beats

EarthMoments presents Tribal EDM Beats - an eclectic collection of tribal beats and rhythms that are processed to fit with a wide variety of genres, including electro, tech, dubstep, trap, drum and bass, house productions or any production that needs an added exotic flavour.

These high quality samples have been recorded in remote regions across the globe including India, Indonesia, Madagascar, Reunion Island, Mauritius, The Balkans and the Middle East, and include deep mesmerizing beats that bring together the worlds of East and West, acoustic and digital, organic and synthetic. The grooves are versatile enough to fit a wide variety of genres, adding a primal hypnotic vibe to your productions.

Whether you're looking for a starting point for a new track, or to add an added dimension to an already existing production, these out of the box samples and loops will act as a source of inspiration for any producer.

The samples have been recorded in a high quality atmosphere by EarthMoments audio engineers with over 20 years of industry experience - recorded at 96kHz using Class A preamps and Tube microphones at the EarthMoments studio.
