EARTHSYNC MOMENTS

## The Album

A tribute to the resilience of the human spirit, Laya Project is a documentary about the lives and music culture of coastal and surrounding communities in the 2004 tsunami-affected regions of Sri Lanka, Thailand, Indonesia, Maldives, Myanmar and India.

A visual journey documenting folk music recorded and filmed on location, some of these performances are rare, and documented for the first time.

For the international team of musicians, sound engineers and camera men who came together for this unique production, Laya Project is a celebration of life, and is dedicated to the survivors.

Crossing boundaries of genre while still preserving the music of the people, Laya Projects' essence is artistic purity and simplicity, from a non- judgmental point of view.
